2nd September, 2013

Dear Parents,

The time has come for our big performance” Willy Wonka and his Oompa Loompas.”

Just a few last minute messages for all students, please read this note carefully before contacting the school. All students must be left at the door of their designated area and picked up from this area once the students are changed and marked off. After our finale please stay seated in the hall as we organize the children to leave and return to their classrooms we will have some raffles to draw and the teachers need time to change the students, so please stay in the hall until we let you know that year groups are ready to collect. Teachers are organised and do not need your help to change the children so you will not be allowed in the rooms. Please do not go to find your child in the intermission they are not allowed out of their room. Every child need to bring a bottle of water, they must eat dinner before they come to school that night. If you feel your child will need a snack please only give them crackers or jatz that will not mark their costume. All students need to wear slippers or rubens on the night to school as they will have bare feet on stage. Make sure everything is labeled. Students need to have warm things to wear over their costume like a coat or dressing gown. Make sure all students have been to the toilet before they come to school as the toilets are not near the classrooms and we will only go in groups during the night with a teacher.

We are expecting the musical to run for 2 hours so if you are not here on the night please come back to school to collect your child from their designated room at 8.45pm. All students are expected to stay for the finale.

Doors to the hall will open at 6.15pm, as seats are not allocated we are asking that no seats be saved. Please fill up seats from the middle to the outside as we will sell out of tickets for the night performances and it saves people climbing over others. Thank you for your consideration with this.

Kindy:

Arrive each night at 6pm in their costume and are to be taken to Kindy Blue and White classroom. They will also be picked up from this classroom. Students can bring their pillow if you would like.

On Thursday Kindy can wear their costume to school but please be aware of what food you are sending with your child so they keep their costume clean.

Year 1 and 2:

Arrive each night at 6pm in their costume and are to be taken to the year 1 classrooms. Year 2 need to be taken to Mrs. Williams classroom, room 9, across from the hall. They will also be picked up from this classroom. As the students are wearing white pants please make sure your child has on
white (preferred) or light coloured undies and singlet. Students can bring their pillow if you would like.

**Year 3:**

Arrive at school at 6pm and are to go to Miss Fergusons room, room 8, across from the hall. Please make sure your child has warm clothes on over their costume. Students can bring their pillow if you would like.

**Year 4:**
