Thank you for all of the feedback received from the survey that was sent home to all Years 5 and 6 parents earlier this term in regards to the Year 6 Farewell Celebration. The Year 6 Farewell Celebration will be held after the Year 6 Graduation Mass on Tuesday 17th December (Week 11) at St Mary's School Hall. All students will be dressed in their full school uniform. As part of the Year 6 Farewell Celebration all Year 6 students will go to the Young pool on Wednesday 18th December for a pool party. Further details will follow. From the survey information received from parents/guardians the following details have been finalised by the executive team:

**Guests:** Year 6 students and their parents/guardians only. We understand that for some families this may mean more than two guests.

**Food:** Please be aware that this is supper only. It is expected that families have had dinner before the Mass. Each student will bring a plate to school that day and teachers will organise the food on the night. Closer to the date students will be asked to nominate what plate of food they are going bring. Supper will be provided, in an area other than the hall, before the formalities in the hall commence.

**Formalities and Entertainment:** There was an overwhelming response from parents that the events on the night should be discussed with the students themselves. Year 6 students have been given input into the formal proceedings for the night. Students have commenced their preparation for the entertainment they would like to create and perform. We are sure you will be very pleased with what they have come up with.

There will be a short meeting next **Wednesday 20th November** in the school library from 6:45pm to 7:15pm. Parents and Guardians of Year 6 students who wish to assist teachers and students with the setting up of the school hall for the Year 6 Farewell Celebration are invited to attend.

Kind Regards,

Sally Spackman and Chelsea Fisher.
